

A LETTER TO OUR CANINE AND FELINE GUESTS

Dear Furry Friend,

We love our four-legged companions and welcome you to the Town & Country Motel. That's why we only charge **\$10 per night** per pet while we charge a lot more for humans.

In order to provide the best stay for both you and the people you own, we ask the following:

1. **Please don't pee or poo in our rooms.** It will cost your humans a mandatory **\$200** charge if we find evidence that you squatted or lifted a leg.
2. **You can't outnumber your peeps.** Only 1 pet per human occupant is allowed in the rooms, with a **maximum of 2.**
3. **Don't let your humans go out and have fun without you.** Humans aren't allowed to leave their fuzzy companions alone in our rooms.
4. **Make sure your humans do what you got them for and pick up after you when you do your business.** We have a nice grassy area for you behind the hotel. We want it to stay nice. We have pet waste bags available in the office.
5. **Please keep your humans on a leash when you're outside.**
